

FULL DAY ECO ADVENTURE

Wright Island, Victor Harbor

Suitable for beginner with good level of fitness

COST: \$90pp (Operates May to October)

DEPARTS:

8.30am to 6pm (Pick up from Adelaide CBD) most days.

ITINERARY:

You Full Day Eco Adventure starts when we pick you up from Adelaide and head down to the Fleurieu Peninsula to the beautiful seaside town of Victor Harbor.

We suit up in wetsuits & lifejackets and get the kayaks ready for the paddle. After some basic instruction we start the paddle out toward our destination, our own private sandy beach on Wright Island where the only inhabitants are the birdlife. On the island we have a swim and snorkel* in our secret rock pool & enjoy snacks and relax. We finish off the paddle circumnavigating the island** and paddling under the spectacular cliffs of the Victor Harbor Bluff then try Surf Kayaking a few waves on the way** on the way back to the vehicle.

We then enjoy a picnic lunch, followed by a scenic look at Victor Harbor before the drive home to Adelaide.

We often encounter wildlife including dolphins, seals and penguins.

(*Snorkel is optional, ** Weather dependent)
